

A big **THANK YOU** to Scheels, the shooters who came out and the weather in helping us set another record for our August shoot. 370 registered shooters set a new record for Mid Iowa Archers. I know there was some delays and backups on the range, over 200 shooters Saturday, but with some patience and cool weather we got through it. Thank you for making this a great year, as always, we are open to any suggestions that would improve our shoots.

Doyle Kincy, President Mid Iowa Archers
